

“Knowing God” by JI Packer

Training U Summer 2022

Syllabus

I. Description

This class will feature guided reading and lessons to help the reader better understand and apply “Knowing God” by JI Packer.

II. Text

The reading and class meeting schedule below will allow you to read and contemplate material before we meet together. This will be very beneficial for you. Those who follow the reading schedule closely will have read the material indicated each week before that week’s class. The pages listed each week will be discussed in that week’s class, so it would be best if you have them read before class.
